APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. It is understood that the 0.013 of a cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. It is further understood that accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.013 of a cubic foot per second.

Actual construction work shall begin on or before June 1, 1942

Proof of commencement of work shall be filed before July 1, 1942

Work must be prosecuted with reasonable diligence and be completed on or before June 1, 1944

Proof of completion of work shall be filed before July 1, 1944

Application of water to beneficial use shall be made on or before June 1, 1945

Proof of the application of water to beneficial use must be filed with State Engineer on or before July 1, 1945

Proof of commencement of work filed SEP 24 1942

Proof of completion of work filed JAN 27 1944

Proof of Beneficial use filed MAY 18 1944

or December 1941

Certificate No. 2604 Issued Aug 26 1944 for 40 Domestic
